miranda

It's 4:30 in the morning.

Miranda is just getting home from the club where she's been since midnight. She's arm in arm with her BFF and they head on up the stairs to their apartment. Feeling a little tipsy and a little tired, they are still in great spirits. It's been a fun night with a lot of dancing, drinking and attention from the guys, and a few girls too.

"I'm not a big party girl, but when I go out I love to have fun. I like to dance, drink a little and flirt a lot. I guess you might call me a tease, but I also like to please. A lot of the guys at the clubs say they are single when they really aren't and that's a really big turn off for me."

"If you see me at a club and want to talk to me, come on over and introduce yourself. I'm very approachable. I even like talking on the phone to people I find interesting. It's amazing how much you can have in common with people you have never met. Call me and see.

Twenty year old Nikki is not as innocent as she looks. But she is that sweet. Just look at her. Now you can fantasize.

"I haven't had a girl for a lover yet. I'm not opposed to it, but I see girls more as friends than lovers. I can't quite see licking a pussy because I love to suck cock. I was voted 'Best Little Cocksucker' by the frats at my college. It's a badge I wear proudly and it gets a lot of boys interested in me real fast! Besides, it's fun!!! Natcha

This corn-fed beauty hails from the plains of Nebraska. A long time animal rights supporter, she has worked for the cause since high school. Now she applies her humanitarian efforts to the trouser snake. "It's such a cute little thing," she says. "It doesn't deserve the bad reputation some bad people have tried to pin on it. It just needs love."

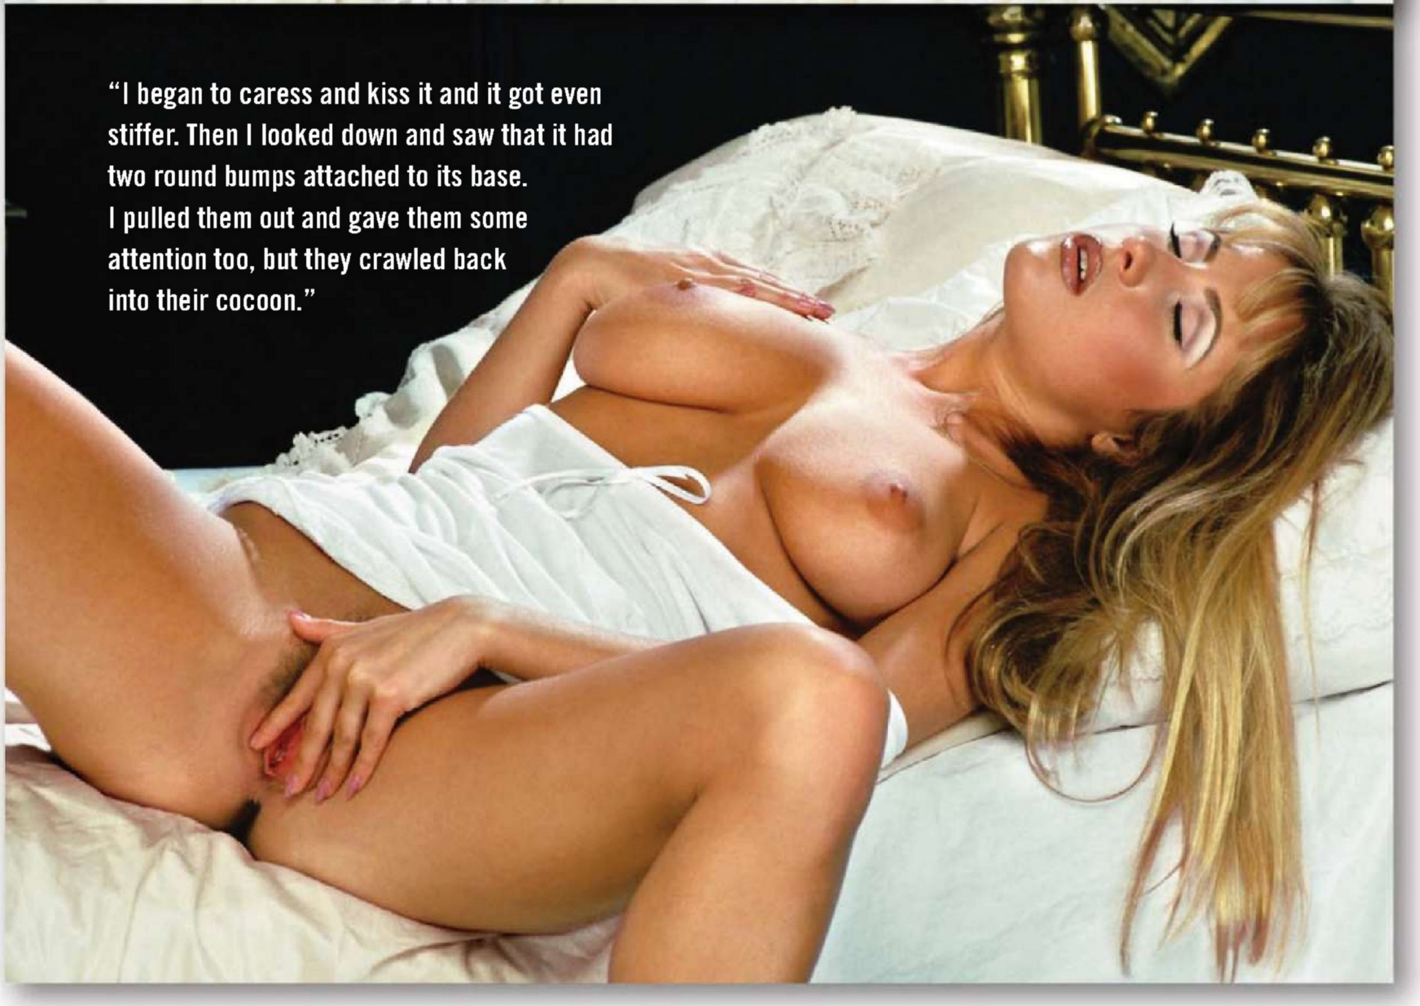
"One day I took one out of it's confinement and I could see it wanted attention. It ws all hard and stiff and tears were coming out of it's one eye."



"I began to caress and kiss it and it got even stiffer. Then I looked down and saw that it had two round bumps attached to its base. I pulled them out and gave them some attention too, but they crawled back into their cocoon."

"Well let me tell you, that little snake is really demanding. It wants to be played with all day. It wants to go into places that you may not want it to. When I confront the owner, he usually says it has a mind of its own and won't take responsibility for its actions. I cannot believe men will let this thing do whatever it wants."

"I've grown quite fond of them over the years. Each one is a little different, but they all seem to want the same thing. So why don't you guys call me and tell me how your trouser snake is doing. Do you take it out often? Does it have nice friends? Is it happy? I'd love to know. Here's my number..."

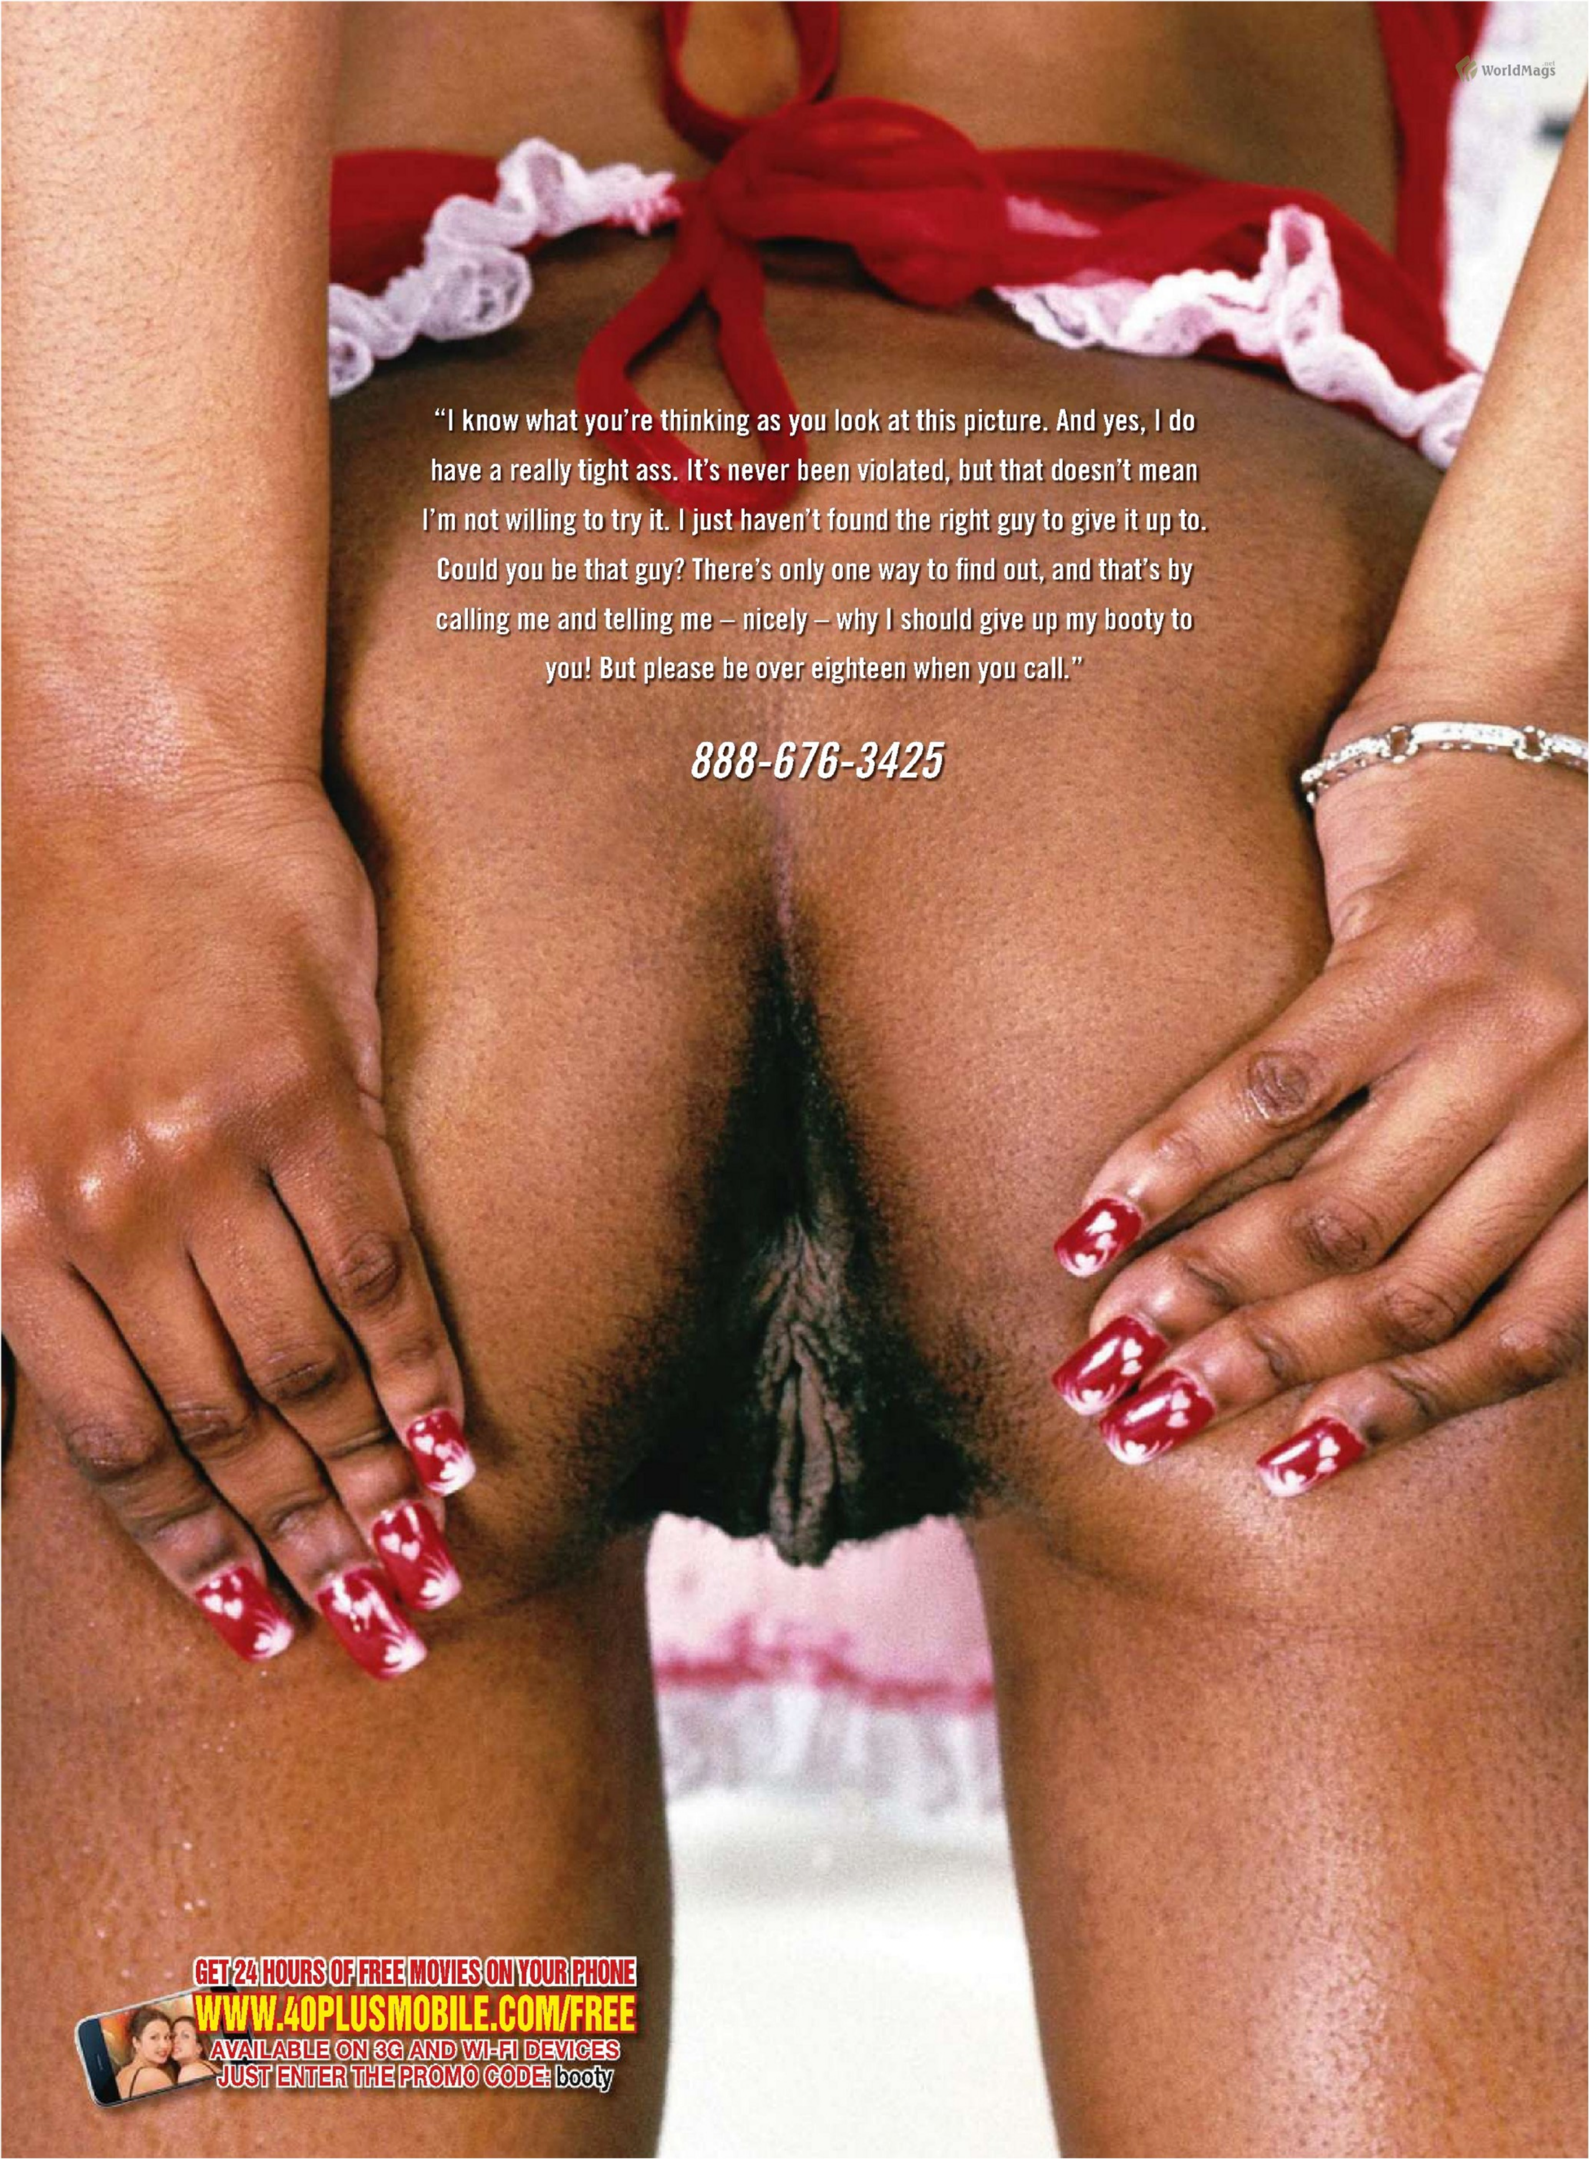
DADDY



"I know what you're thinking as you look at this picture. And yes, I do have a really tight ass. It's never been violated, but that doesn't mean I'm not willing to try it. "I just love working with Moné." I remember one of my first shoots was with her and I had never been with a girl before. She was so willing to take her time and make me feel comfortable. Over the years we've been together many times and she always makes me laugh – and cum!"

"This photo shoot was really hot. We had both worked on other sets all day and when we got here and saw each other, we were relieved. We had a great time. It was not like work at all. Just a mellow fuck."

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

THANK YOU, THANK YOU, THANK YOU!

I just moved into a two-flat near the college where I go to school. Upstairs from me are two girls who go to the same college. One is named Deandra. She's 21. Her roommate is probably a year older. I'm a senior and finally got off campus. I hear them fighting all the time. They fight about the big stuff, like college majors, and they fight about the bullshit stuff, like what color Deandra dye her hair this month. I don't think it's ever serious, just friendly competition. I just try to stay out of their way.

I'm writing because something happened that I want to thank you for. It was a nice afternoon, and I decided to work on my reading assignment in the backyard. But what I really has was your magazine with Keeshah on the cover opened inside the textbook. The combination of beer, sun, and "heavy reading" put me straight to sleep, so I was sipping an iced coffee instead. I was looking at the great girls in the magazine, so I was startled when I realized that Deandra had come outside to join me. I was more startled when I looked up and saw that she was stark naked. "Deandra!" I sputtered. "We are outside."

"There's a fence." she shrugged. Well, they're sort of offense. But it's old and it has some gaps in the wood. If the neighbors were ever home, they probably see her. I saw her do this before but I was always inside the house. She would usually just sunbathe for a few minutes. Once in a while her roommate would come out also but she always wore a swimsuit.

I decided to just shut up and enjoy the scenery as Deandra spread out a beach blanket on the grass. She turned on her stomach for a few minutes giving me a good look at her firm ass. Then she rolled onto her back, her legs and her breasts exposed. I didn't mean to stare, but I couldn't help it.

"What are you looking at?" she asked. "I'm trying to catch up on some reading material for school," I mumbled. "Let me see." she said, and before I could hide anything, she was up and looking over my shoulder at the pictures of Hypnotiq and Eve getting it on.

She suddenly grabs the front of my pants. Fuck! That fast she was squeezing at the bulge I'd sprung in my jeans. "What are you doing?" I sputtered. "What do you think I'm doing?" She unzipped my fly and boldly reached in for my throbbing erection.

Whether seen on campus, the bedroom, or on the subway, the hottest black butts on the planet are there for you. The other parts are pretty hot, too! – Ed.

I couldn't make myself go soft, not for all the boring college textbooks in the world.

"So this is what you call studying," she says as she grabs my mag, too. "These girls are hot. Hey she's shoving a dildo into the other girl's ass." she almost screams. Deandra looks aback at me and asks if I had ever fucked a girl in the ass. I said no, but had always wanted to. Just couldn't find the right girl. She laughs and drops the mag.

"Then you might just be in luck." she says. Her lips formed into an "O" as she came around in front of me and pushed my knees apart. She pulled at my hard cock and immediately shoved it into her mouth and began sucking me.

"Please," I moaned. "Please stop?" She laughed as she hesitated, her mouth less than half an inch away from my tip.

"No, don't stop. It's too late to stop. Oh my God." I moaned. She crammed my cock back into her hot mouth. I don't have the willpower to tell a woman to go to stop when she's giving me head that magical. I decided to just lay back on a lounge chair. The harder she sucked, more of my shaft disappeared down her throat. Before long I was tonsils deep inside her gifted mouth.

"I don't want to come in your mouth," I said. She stopped sucking and looked up at me. Deandra laughed a scornful laugh and got down on all fours on the beach blanket. Her smooth butt cheeks open, and I could see her tiny anus.

"Come on then, is this what you want? We don't have all day unless you want my roommate to catch us." she says as she fingers her asshole. I groaned and slumped down on the ground on top of her. My cock was thoroughly lubricated with her hot sticky saliva, so it slid easily between those smooth cheeks. She began to pump with her ass, at the same time deliberately dilating her butt hole so that it was wide enough to grasp hold of my dick. Was I fucking her ass or was she using her asshole to suck my dick directly into her tightness? It really did seem for a moment as if she was doing all the work, but I didn't mind.

Hot damn, Deandra was tight. I had no idea if it was her first time getting some backdoor action. Considering how rebellious she was, then it probably wasn't. But she sure as hell felt like a cherry. I had to poke slowly, an inch at a time, until I was finally in her to the hilt. Our bodies lurched, and we began to move faster and faster. Suddenly, almost without warning, she began to come with such convulsive violence that she popped me off immediately. Her happy asshole was squeezing cum out of my dick like it was a cheap tube of toothpaste. She came as she fingered her clit furiously. I pulled out and used the end of her towel to clean off. She looked back at me and said, "See, I can take it just like those girls in your magazine."

All I can say after that is "Thank you. Thank you. Thank you!"

– Derec in Hotlanta

MALL BRATS

Last month I found your magazine in my brother's room. I only had a chance to look at a few pages when I heard him coming up the stairs. The next day when he went to work, I found it again and looked at it more thoroughly. I decided to make him crazy and tell you about it, so I wrote down your address and put it back in his hiding place. When he got home from work. I asked if he would go to the mall with me to help pick out a gift for mom's birthday. When the weekend came I called my BFF and told her about my plan, so she joined us.

On Saturday we all go to the mall. It's the three of us, me, my BFF Letitia, and my brother Jerome. Oh, I'm 22 BTW, Letitia is 24 and my bro is 30. I've got a piercing in my eyebrow and another one in my right nipple, which is two piercings to many as far as my brother is concerned.

My mom and Letitia are the same size so I told him she had to try on the clothes. I found some cute jeans and wanted to try them on but Jerome said "No." They were $200 but they were the style. He was mad and waited outside the dressing room with his arms folded while Letitia and I were in the dressing room. Just to blow off steam when she shimmied out of the jeans, I put my right hand on the front of her thong panty. She giggled and then I squatted in front of her to nibble at her sweet pussy.

"He's right out there, you know," she whispered. "Yeah, that's what makes it hot. I want to drive him crazy so you'll have to moan and make sexy noises."

I pulled down her thong; then squeezed my tongue all around inside her slit. It wasn't exactly the first time that the two of us got it on together. She really has a gift for giving head, and I'm happy to give it to her too and show off my skills. Within minutes, she was cumming all over my mouth. She made those sexy little noises and I know Jerome heard her. "Hurry up, you two!" he yells.

Lovely lesbian action gets the guys hot, but it seems to do the same for many of the gals. Honeyz Hypnotiq and Eve have a sexy roll in the hay that's a real crowd pleaser in our last issue.

I didn't have the cash to get the jeans if Jerome didn't pay, and he didn't, so we went to another store and looked at some dresses. He wasn't much more thrilled with them, saying that they were too short for our mother. But at least they were only $50. Again, Letitia and I disappeared into the dressing room, and this time she's the one who dropped to her knees.

She walked her tongue all over my slippery mound of Venus. I had taken a shower right before we left the mall and shaved my box, because it was as smooth and slippery as greased plastic. Her tongue slid all over my brown velveteen flesh. Finally she collided with the deepest, twitchiest part of my slit and began to flutter her tongue in and out of my pussy. I began groaning softly and then I hear Jerome: "Let me see how those dresses look. What are you doing in there? It shouldn't take this long to try on a dress."

I quickly put on one of the club dresses to model for Jerome. He shook his head, but ultimately we bought one for mom. Now we moved onto the lingerie shop. We both said that we needed new quote "miracle" bras, although he was convinced that we were too young and firm to need any, much less a $40 one. Nonetheless, Letitia and I disappeared into a dressing room. I shook my titties into a black lace number and Letitia shook hers into a matching pink lace. We giggled at each others jiggle. It doesn't take a long time to try on bras and my bro knows it. It doesn't take long to finger each other either. I got my ring finger in Letitia's pussy and she got hers in mine, and we worked our digits as fast as we could.

"Hurry, hurry." "Oh, my God. That's it. That's it." Bam! We came on each other's hands. "What's going on in there, you two?" We hear him from outside the curtain. He then flings it open and we're both grinning from ear to ear. "You girls drive me crazy!"

Interview with a porn princess

One of porn's loveliest and horniest stars shares some sexy thoughts and secrets.

Avy Scott is one of the adult industry's premiere talents. In the business almost ten years, Avy has a huge following and is one of the best liked female performers working today. It's her positive attitude, her willingness to perform as directed, as well as her smoking hot sexuality that makes her the first choice of many directors and fans.

Ed – I'm sitting at my desk reviewing the pictorial of Avy and Nikko. I'm mesmerized by the photos and drift off to a dressing room at the photo studio waiting for Avy Scott to finish her photo set. The makeup artist is packing up her kit and setting it by the door as Avy walks in. Dressed in a white robe, she asks for a minute to clean up and get herself together. She leaves the room headed for the bathroom and after about five minutes returns. She returns and comes to join me in the second makeup chair. She says, "Okay now I'm ready."

Ed – Hi Avy. Thank you for taking the time to speak with me. You look ravishing. Oh, I really mean ravaged. (She chuckles)

Avy – Well thank you for waiting for me. The scene turned out to be longer than we expected, but I think we got some great stuff. Nikko's a real fun guy and I had a great time. I hope you like looking at the photographs.

Ed – Oh, I'm sure I will. Now if we can get down to it. May I start by asking questions about your past?

Avy – I really don't like to talk too much about it, but I'll hear you out.

Ed – I understand you're a Florida girl. What brought you out to the West Coast, and more specifically how did you get into this business?

Avy – Well, I came out about nine years ago to visit some girlfriends. While we were out clubbing, one of my girlfriend's mentioned that she was making extra money doing adult films. So I questioned her about it and told her that would be something I'd be interested. We talked about some more and it got me curious. I decided to try it and see what it as like. I did not plan to make it a career, that's for sure. But I guess I was wrong.

Ed – That seemed like a safe introduction. Can you tell me what your first scene was and when you did it?

Avy – My first scene was with a guy named Josh. We started off real slow kissing and hugging at first; the premise being we were college sweethearts, which wasn't far from the truth because I was in college at the time. Josh knew it was my first time so he was really patient with me and helped me along.

Ed – I did a little research and I see you've done over 100 films. Can you tell me which one was your favorite?

Avy – I can't say that I have a favorite film, but I do remember this one scene shooting at the beach in Malibu. It reminded me so much of Florida. It was a beautiful day. We got there early and noticed they had put some overstuffed deck chairs under a canopy for my scene. The sound of the ocean and the waves breaking; the sun beating on our bodies made it really hot. I was working with a guy I had not met before but had seen this photos at the agency. I was kind of excited to work with him because I heard some good stuff about him, and he supposedly had a big cock, so I was anxious to see it. Before we started the scene he came over and introduced himself and offered me a cool drink; which I thought was very nice. We sat and talked for a few minutes and then were interrupted by the director who told us that they were ready to shoot. His name was Scott. He stood up and offered his hand to me. I took it and we went to the set. After a bit of dialogue we were instructed to start kissing – which was fun. After a minute he started undoing the straps on my bikini and began to kiss my breasts. His tongue was cool from the drink and it felt nice on my nipples. He continued down my body, kissing my belly, and laid me down on the chair and then grabbed my bikini bottom to pull it off. Instinctively I opened my legs and he lowered himself to lick my pussy. This scene took a couple hours to finish but throughout most of that I felt more like we were making love rather than just having sex. There were a couple times when the director said "Cut" but we just kept going.

Ed – Wow, that sounds pretty hot.

Avy – Yeah, it was pretty hot. He had a gorgeous cock and I really enjoyed sucking on it. He was cleanly shaved and he smelled wonderful. His cock was huge and it felt really good inside me.

Ed – Do you also do girls?

Avy – Yes, I like girls. I've worked with many of them and I have my faves. But I really like guys, and I have to say there's just something about a hard cock inside me that makes me feel good. But I do like the way girls eat pussy. They have a feel for it that most guys don't. I really like to have my pussy licked. Maybe it's because I'm a "pillow princess."

Ed – Pillow princess? I haven't heard that term before.

Avy – (Chuckles) That means a woman likes getting pussy licked more than licking. I prefer to just lay back and have the girl or guy do it to me.

Ed – I've seen quite a few of your movies and you seem to handle yourself pretty well in a three-way.

Avy – It's not as easy as it looks. Sometimes it's easy for one of the three to get left out so you have to be careful that every one gets their share of the action. The director will often choreograph the action. That's done mostly for the camera angles. Since I like guys, having two of them fuck me at the same time is a lot of fun. It makes me feel like the center of attention. I work hard to give the director a good scene because I know that men like to watch good, hard sex.

Ed – Speak of directing... I understand you've directed a few films yourself.

Avy – I have. About four or five of them. The very first scene I ever directed, the talent showed up late and I got really nervous and pissed. I stumbled through my first couple movies getting a lot of help from the experienced crew I had around me. I'm a little more confident now as a director but there's still something about being in front of the camera.

Ed – I'm curious... let's go back to the first scene you directed. How did it come about? How did it go?

Avy – I had a bit of a screenplay to follow. I had some idea about what I wanted and how I wanted the dialogue to go. We had rented a gorgeous house in the Hollywood Hills with a huge elaborate bathroom. I had a couple taking a bath together, drinking champagne, and ultimately fucking. I know it sounds a little stereotypical but it was something that I could relate to and always liked as a romantic setting.

Ed – So how did you get the action going?

Avy – I had the couple enter the bathroom and the guy took off the girl's robe as she faced the camera with him kissing her neck and shoulders. Then he helped her into the tub and got in after her. She was sitting down but before he could sit she took his cock in her mouth and started licking it. What was interesting is that I found myself to be a bit more of a voyeur than I expected. I enjoyed watching the action and realized, perhaps a little too late, that I should have yelled "Cut" and change the camera angle. But watching them suck and fuck was more interesting than barking out directions and ruining their flow.

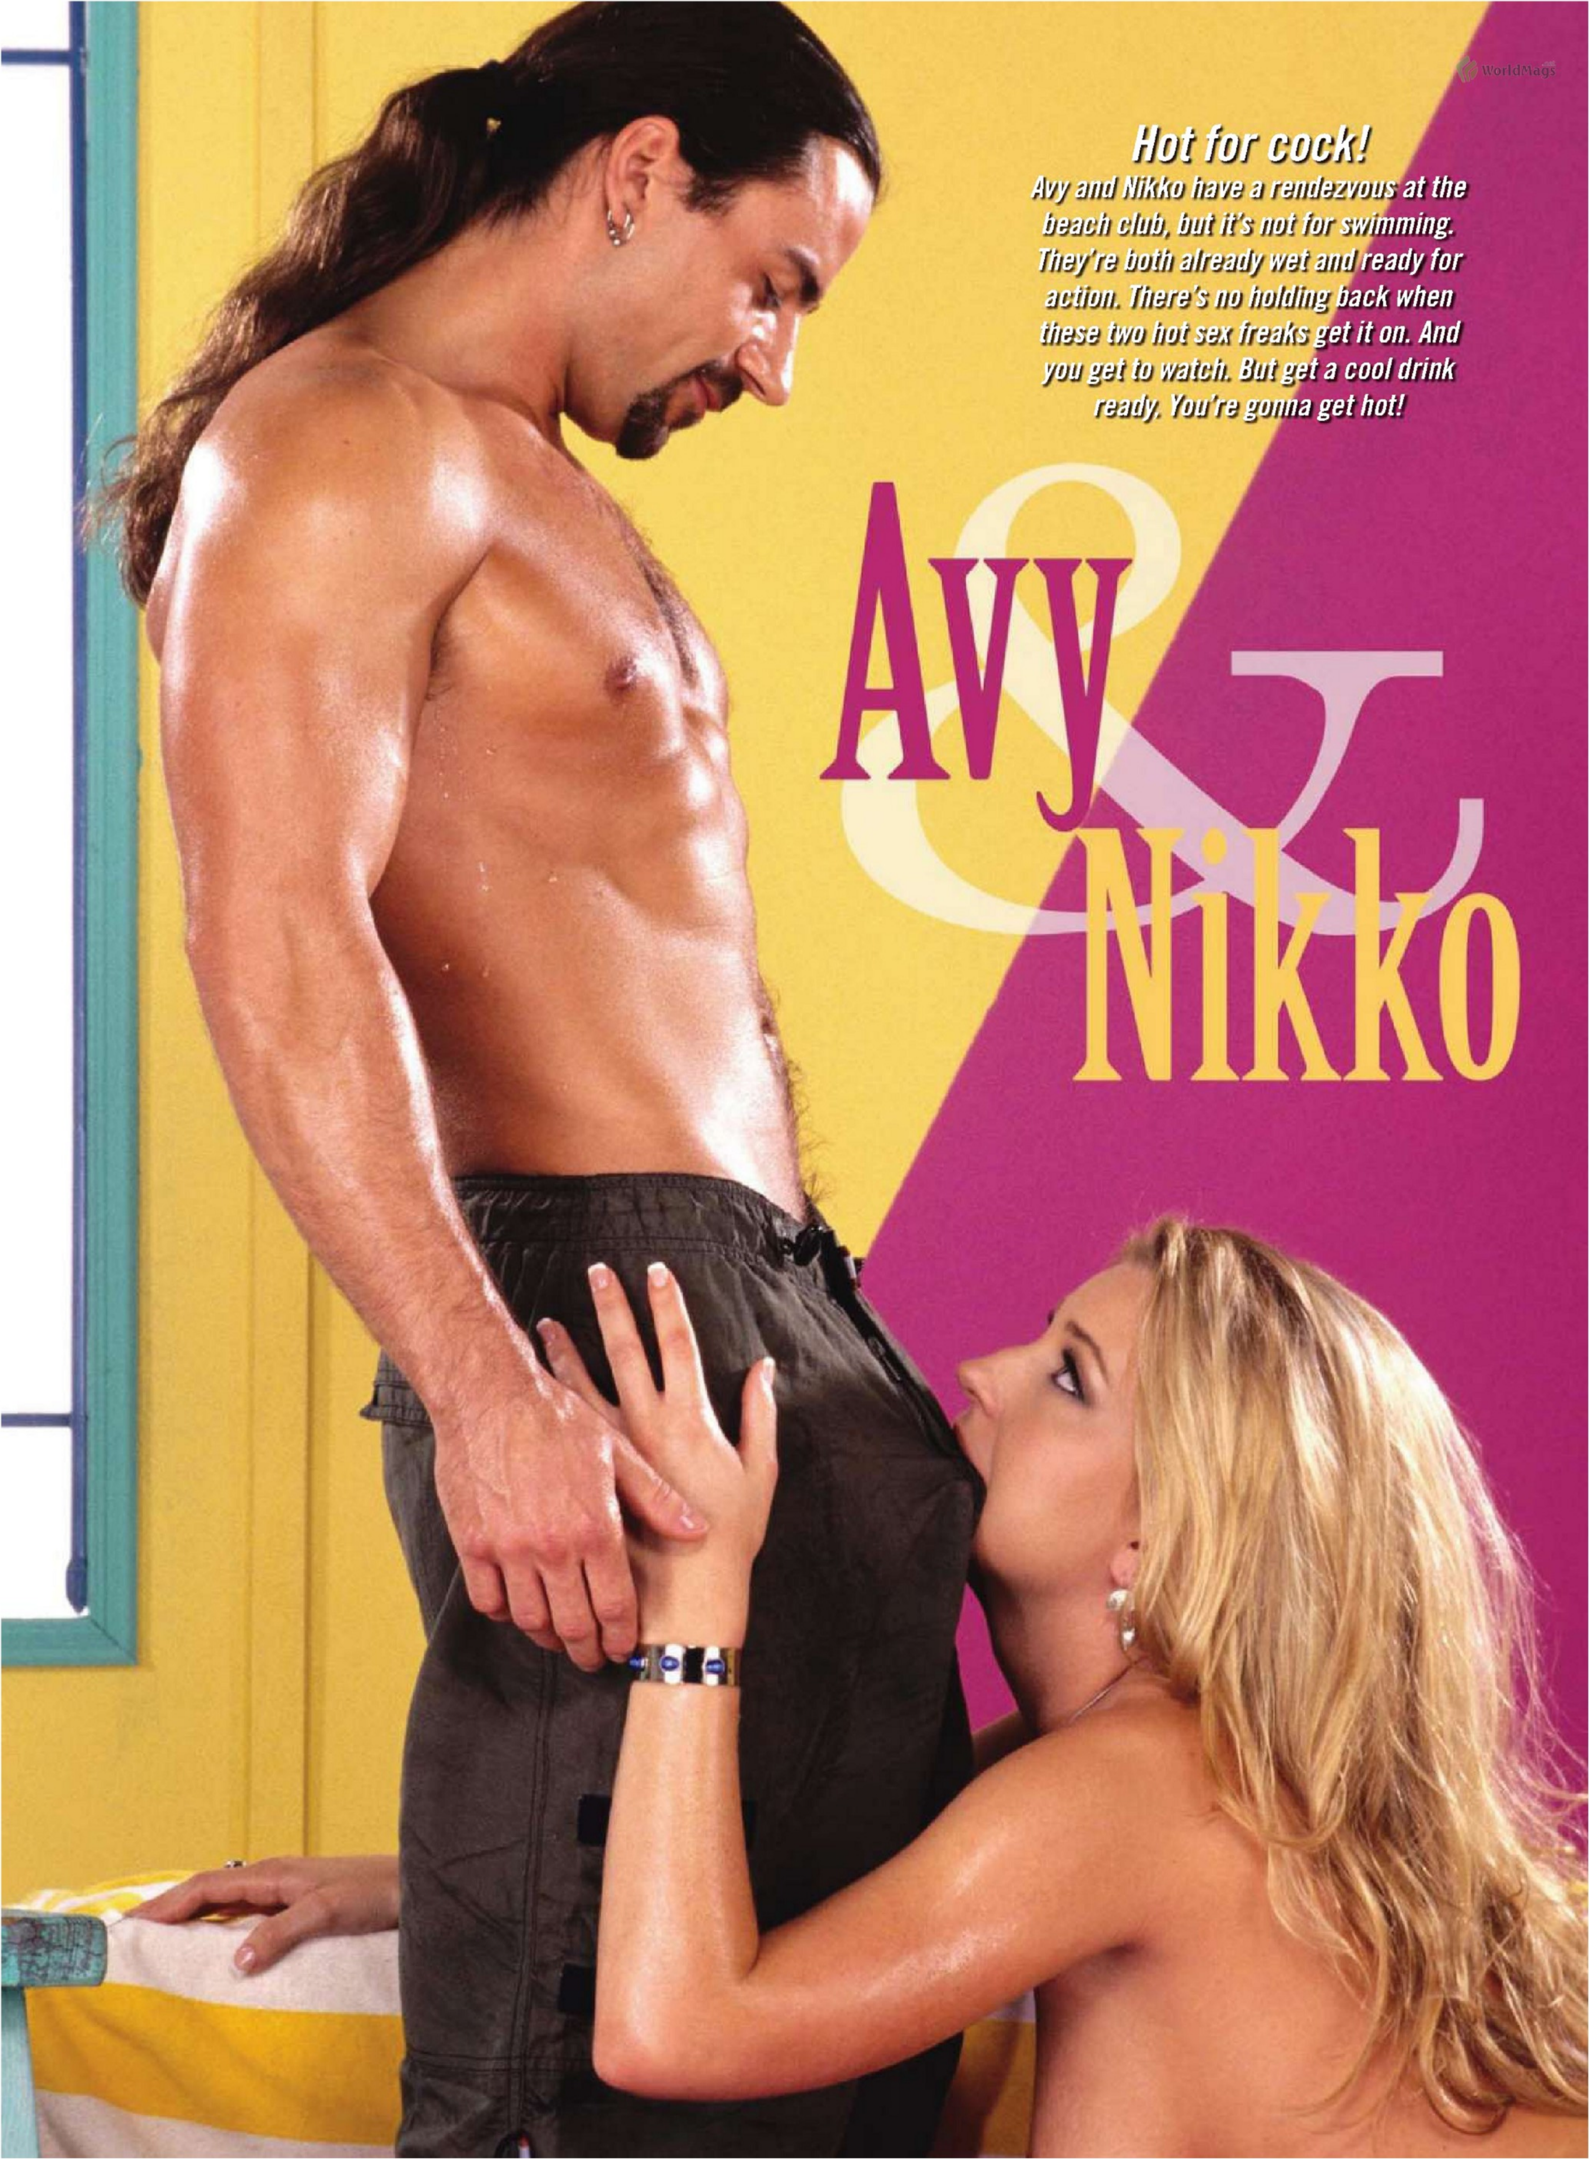
Ed – I've noticed in almost all of your movies that you have anal sex. Many girls won't do it. Why do you?

Avy – Well, I had done that in my personal life before getting involved in the movies, so I was already kinda used to it. When I found out that you get paid more money to do an anal scene, well that was just icing on the cake. Realize, I don't do it just for the extra money. It feels great and it makes the sex scene, but there's only so much of it I can take before it becomes uncomfortable. Then I have to take a break for a few minutes before I can go back to it. Before my first few anal scenes on film, I would sit in the dressing room with a butt plug inside me for a good half-hour or more just to stretch out my butt hole. Lube helps a lot and I won't do an anal scene with out it.

Ed – Do you have further plans to direct some more or stay in the business?

Avy – I like directing. As you well know, this is a young girl business and there is new talent coming in all the time. I would like to continue directing, but since movie making has changed a lot, I'd like to focus more on the internet and try to create some new material for that medium. It's a really competitive business so I have to take everything I learned and apply it. I'm sure I'll do fine.

Ed – Avy, thank you for taking the time to sit with me today. You are quite charming. We're sure you'll do fine. Avy stands up. Her robe briefly falls open as she gets out of the chair. I savor my last look as she closes it back up and leaves the dressing room. Suddenly the publisher knocks on my door asking if the last issue went to the printer. I say it did – and realize my interview was just a daydream from looking at these hot pictures. Damn!



Hot for cock!

Avy and Nikko have a rendezvous at the beach club, but it's not for swimming. They're both already wet and ready for action. There's no holding back when these two hot sex freaks get it on. And you get to watch. But get a cool drink ready. You're gonna get hot!

The Good, the Bad and the Booty

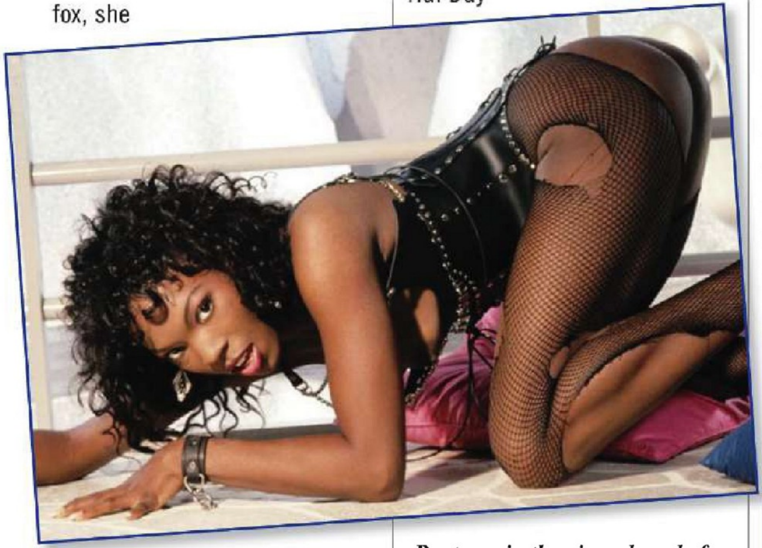
WHAT A FOX

I usually don't look at or even buy men's magazines or even write letters to them, but I was walking by a newsstand on Clark Street when I glanced over and saw the issue of Booty Call with Allanda on the cover and she stopped me in my tracks. I'm a photographer's assistant so when I saw the pictures inside, I was really blown away. Not only is she a fox, she looks like a professional model. And she's sexually hot, too. I'm sure you don't give out the private info on the girls, but, man, if there's any way you could send her a note to contact me if she's ever in the Chicago area, I'd love to work with her. Here's my cell phone number and address...

– Joachim, Evanston

Hey dudes, that one hot chick on the cover of your mag. What a fuckin fox. She could be my booty call anytime. Tell her she fine as wine.

– BJ, Detroit



Booty up in the air and ready for that backdoor man, Allanda heats up the pages of Booty Call, #29.

CASINO CAPERS

To the Editor,
Hey, you guys will like this. I know your magazine and have written before, but this is a good one that you just have to print in your magazine.

My name is Rashawn and I was to meet two other guys in AC (Atlantic City – Ed) and were going to play at the casinos for a couple days over the Memorial Day weekend. I checked into my room at Trump Tower and waited for their call to hit the table. That came about 9pm and I met them at the blackjack table.

Jerome was already there and then Stephon shows with this bangin babe on his arm. He introduced her as Seline and we all sat down at the table. After a couple hours of mostly losing hands we abandoned the table and went to the bar for some drinks. Seline excused herself for the powder room and we started jiving Stephon about bringing a chick to our boys night, but he told us that she was newly divorced and full of sexual frustration. She worked with him on Wall St. and needed to get away from the grind so he suggested AC for the holiday weekend.

Now don't get me wrong, she's a fine piece of ass, but she's going to upset our dynamic. Fifteen minutes later Seline is coming back, but has another hot chick with her. Settling down at our table, she introduces her as Kate and that they work at the same firm. Kate is a blonde white girl about 5' 6" with a very buxom figure with a very oversized ripe ass. So we drank and talked until about 2am. The later the night got, the hotter the conversation got and we all decided to go up to Stephon's room to continue the party.

We made small talk for a while and then eventually Seline and Kate started getting friendlier with us and we were right on it. Stephon started undressing Seline and Kate joined him as Jerome and I watched. From that moment on the heat began. The two ladies were about to be totally consumed by us three black studs.

Seline told Stephon that she wanted to suck his cock while we watched. He pulled it out for her to wrap her lips around. She looked at his rock hard chocolate stick and licked her lips, knowing that we were waiting our turn. She then greedily sucked the head into her mouth and slurped her way down his long cock. He moaned with surprise and mentioned he could not believe how good she sucked cock. She kept on sucking him and he warned her that if she did not stop,

ON A SIMILAR NOTE

Hanging out at clubs is fun, isn't it! You can end up doing the craziest things! Such as getting drunk, and stumbling home with an equally drunk woman. I was so wasted. I didn't even remember meeting this chick. I don't remember how we got to my place since my apartment is about ten miles from the club. I do somehow remember talking to her but remember nothing about the conversation.

We must have had more to drink at my place, I think. Everything's still hazy. She was hot, I think, and a bikini model. I think that made the sex better. Because I don't remember much but I think we had amazing sex for a long time. I should take a second here to congratulate myself on staying hard despite so much alcohol. She did well, too. It was fun, I think.

She was gone when I woke up, but I found her cell phone and it had pictures of us. She IS hot!

The Good, the Bad and the Booty

he would be shooting soon. In the meantime Kate had settled herself between Jerome and me and we pulled out our cocks as she stroked and licked them. Jerome and I high-fived and settled back on the sofa to enjoy the sights and feelings.

Kate gave great head and seeing her blonde hair bobbing up and down on our shafts made it even hotter.

The two ladies switched and Kate went to Stephon and Seline came over to us and the bjs continued for the next half hour. We all came with Seline taking us both in her mouth and Stephon jizzed on Kate's hair by accident.

She ran off to the bathroom to wash it off and asked Seline to help her. I passed out and don't remember anything else except that I woke up on the sofa the next day with a splitting headache and my cock hanging out of my zipper. The girls and Jerome were gone and Stephon was still asleep. I slipped out and headed back to my room and slept the day away. Jerome called about 8pm and said he was with the two girls in his room and they wanted to get fucked since we all passed out last night. Well, at 8:01 I was knocking on Jerome's door. I'll write you soon and tell you how it went in Jerome's room.

WALL BANGERS

I'm writing because I need to vent and I know you guys kinda listen. My wife and I live in an apartment in Denver with very think walls, floors and ceilings (apparently). About two months ago we were awakened one morning to some weird noises. At first, I thought it was a ceiling fan or something but it only took a minute to figure it out. A lady's voice narrowed down the possibilities and the long deep groan at the end was the clincher. It was the couple upstairs having sex. My wife and I were kind of embarrassed at first but it got my wife in the mood and we started having sex, too. My wife has a great sense of humor and loves practical jokes so she started moaning and groaning just like what we heard from above. I got in on it too and let out this way-too-loud climatic groan just at the right time.

The next night they started up again and we couldn't wait to join in. When we heard them going at it, we pushed the envelope and totally out-do them, with moans and cries and screams of pleasure that I'm sure probably caused some commotion. It became sort of a fun contest for us to out-sex them, making sure we lasted longer and were much louder. We would do it against the wall hoping that they would feel the pounding. Apparently we had some sort of competitive drive we didn't know we had and that we really fed off. It was fun.

A few nights later, we were in the process of out-doing them when we heard incredibly loud noises from above our bedroom. What we heard was indescribable. It sounded as if the entire cast of Cats was upstairs having an orgy. Screeches, scratches, howls and screams. We were had to stop and wonder if they realized what we were doing and now they were trying to out-do us! What was going on up there? How could two people make so much noise? Yesterday morning we heard them two going at it again. My wife took off her T-shirt and jumped on top of me and what followed was some of the craziest sex we've had. Headboard slamming, yelling, squeals of pleasure. However, they were just as crazed, and we could hear them loud and clear as we pushed ourselves to be as wild as possible. Soon we hear her yelling "Deeper!" and my wife would yell back "Harder!" A really loud "Oh yeah, fuck me!" came booming back and then my wife screams out "I'm cumming – again!"

This is when I really realized what was going on. I pictured the apartment building in a cut-away view where you can see all the rooms with the outside walls taken off. It looked like a sex cartoon with couples in each room getting it on. We were basically participating in anonymous group sex! What started out as a small competition had gotten way out of control. What did our neighbors think? I couldn't help but laugh about it all.

In the end though, my wife and I were the one's that gave up. It was fun while it lasted and it kept our sex life interesting, but we didn't have the strength to continue. We admitted that they won and they let us know they did by banging hard for another night or two while we were silent. So now we just want to go back to having normal boring sex.

– Marcus, Denver

"It took a couple months to get LT. to lick my pussy the way I like. He was very patient and willing to learn. I told him to start with the whole pussy before zeroing in on the clit. After I'm good and wet, I tell him that I'm primed for his cock. He has a nice cock and I like sucking on it. He's always hard and when I'm ready to get fucked, he's ready to fuck me. We usually do it until dawn, then I send him home."
